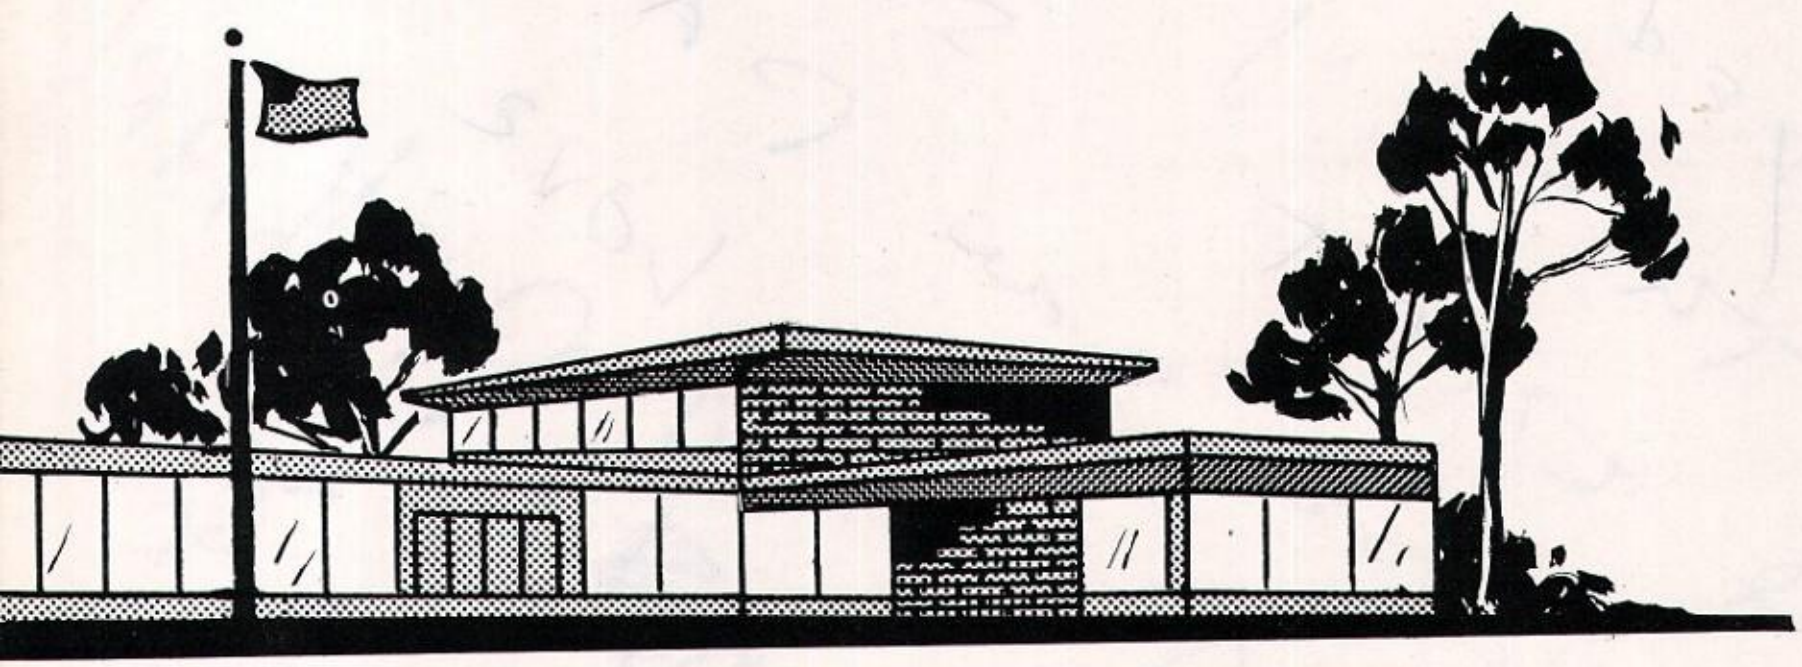
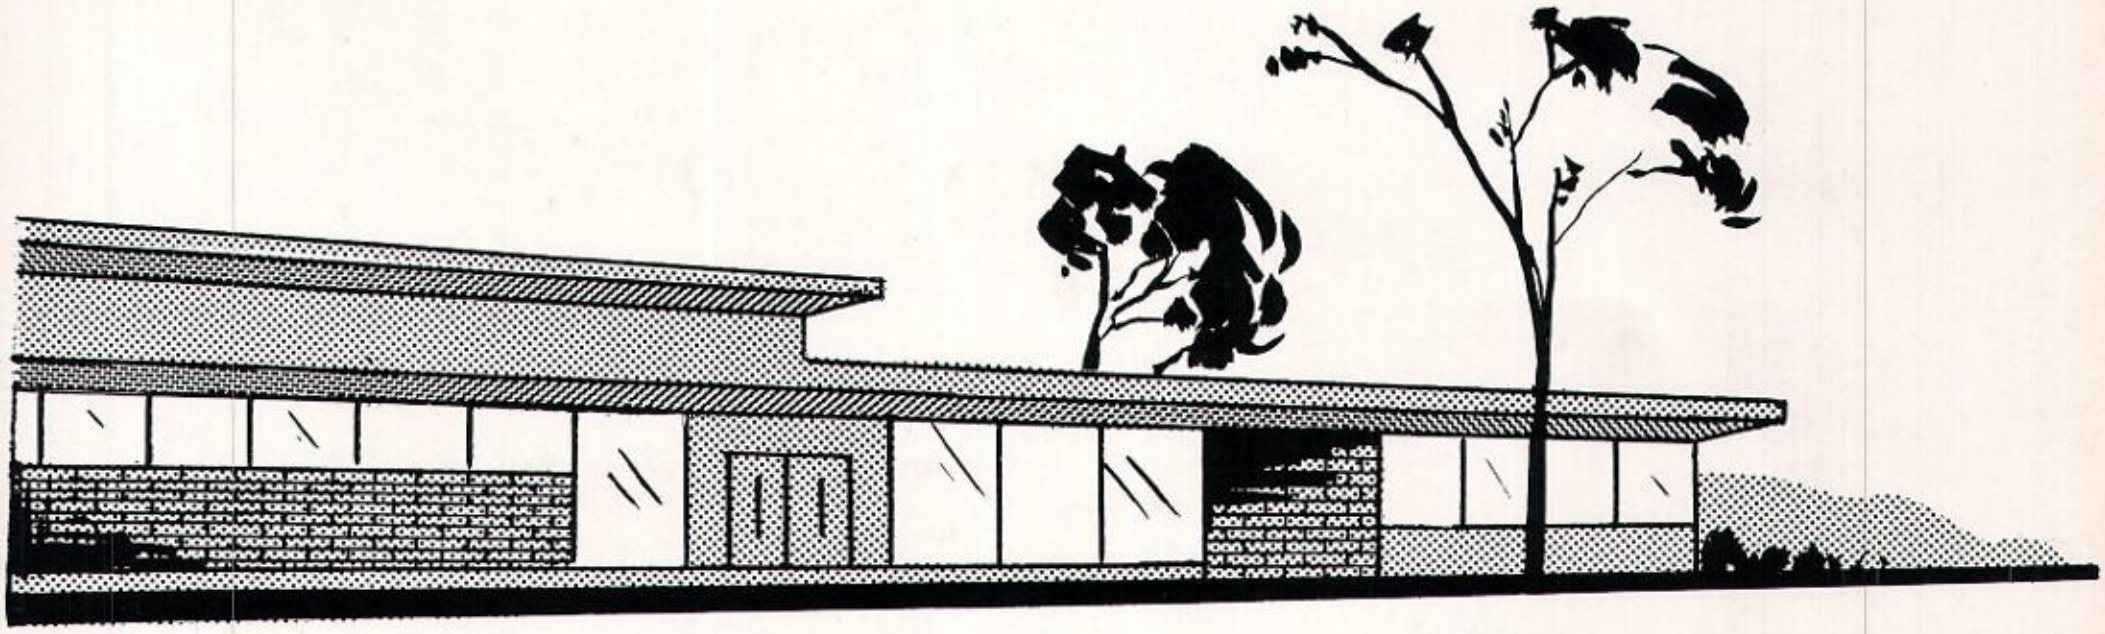
Foreword

No theme could be more fitting for the 1961 *Nucleon* than that of "New Horizons." Our school, since it was first envisioned in the minds of forward-looking men and women, has been symbolic of the "new horizons" which present themselves in an ever-changing world.

The second graduating class of Niagara-Wheatfield has also taken an active part in the creation of New Horizons. Being among the first to benefit from our modern school building, we have enthusiastically worked to develop school spirit, set high standards and attain new goals.

With the 1961 *Nucleon,* we have endeavored to present a permanent record of the year's activities and have tried to capture the spirit of our school. We hope that in the years to come, that you will pause often to page through this book remembering old friends and the joys of being a part of our Alma Mater.





Dedication

Mr. Charles R. Clark, our Supervising Principal, through his forceful efforts for the past twenty-five years, has turned the dream of a centralized school into a reality.

Thus it is that we, the Senior Class of 1961, dedicate our yearbook to one whom we hold in high esteem, Mr. Charles R. Clark.

HIGH SCHOOL PRINCIPAL

To the Senior Class of 1961 I wish to extend my heartiest congratulations and best wishes for the future.

Your class members were an integral part of the original organization of the Niagara-Wheatfield Junior Senior High School. Shoulder to shoulder you and the faculty have been the pioneers of this fine new school. I am sure that someday you will again have the opportunity to build something important from its embryo stage. When you do, I trust you will remember the lessons you have learned and profit by the experiences you have had. You will find that the same rules of honesty, cooperation and enthusiastic effort will apply in building a business, a marriage or a new life as well as they have applied to building a new school. Use your education and your experiences wisely and you will go a long way down the road of happiness.

Sincerely,

Richard H. Eden

CLASS COLORS: Blue and Gold.

CLASS MOTTO: Forward Ever, Backward Never.

We, as Seniors of Niagara-Wheatfield, have many happy memories, both past and present, on which to reflect. We have looked forward to and have enjoyed wearing our class rings and signing our senior pictures. We have worked together to sponsor such activities as the Pancake and Sausage Dinner and the Masquerade Party.

The Christmas Party, which we sponsored as a service to the community, is one activity of our senior year which will always stand out in our minds. We will long remember the choosing of Mr. and Mrs. Santa Claus and the humorous costumes that our fellow classmates wore.

We will always have vivid memories of Class Day, the wonderful Senior Prom, and other enjoyable activities that preceded our graduation.

CHRISTMAS PARTY

December 22, 1960, was a memorable day for the seniors. Masqueraded as elves, reindeer, and other Christmas characters, they joined with Mr. and Mrs. Santa in entertaining the primary grade children of the central district. The community responded enthusiastically, despite the stormy weather that day, and a good time was had by all.

PEP CLUB

The Pep Club, now in its second year, has played an important role in the development of school spirit and increasing attendance at athletic events. Selling game tickets, providing buses for away games, and sponsoring Father-and-Son Day for the football team, are only a few of the services which they have performed.

The proceeds from their many fund-raising activities are used to help promote the schools program. Two of their purchases have been a camera for the athletic department and megaphones for the cheerleaders.

Advisors to the club are Mr. Bach and Mrs. Parisi.

WRANGLERS

The *Wranglers* is a club organized to stimulate interest in horses as well as to teach its members safety measures for riding. At the meetings, drawings and diagrams are used to illustrate the "hows" and "why" of good horsemanship. When weather permits, outdoor instruction is given at which time all members are given an opportunity to ride. The group has attended several horseshows this year, chaperoned by their advisor, Mrs. Ward.

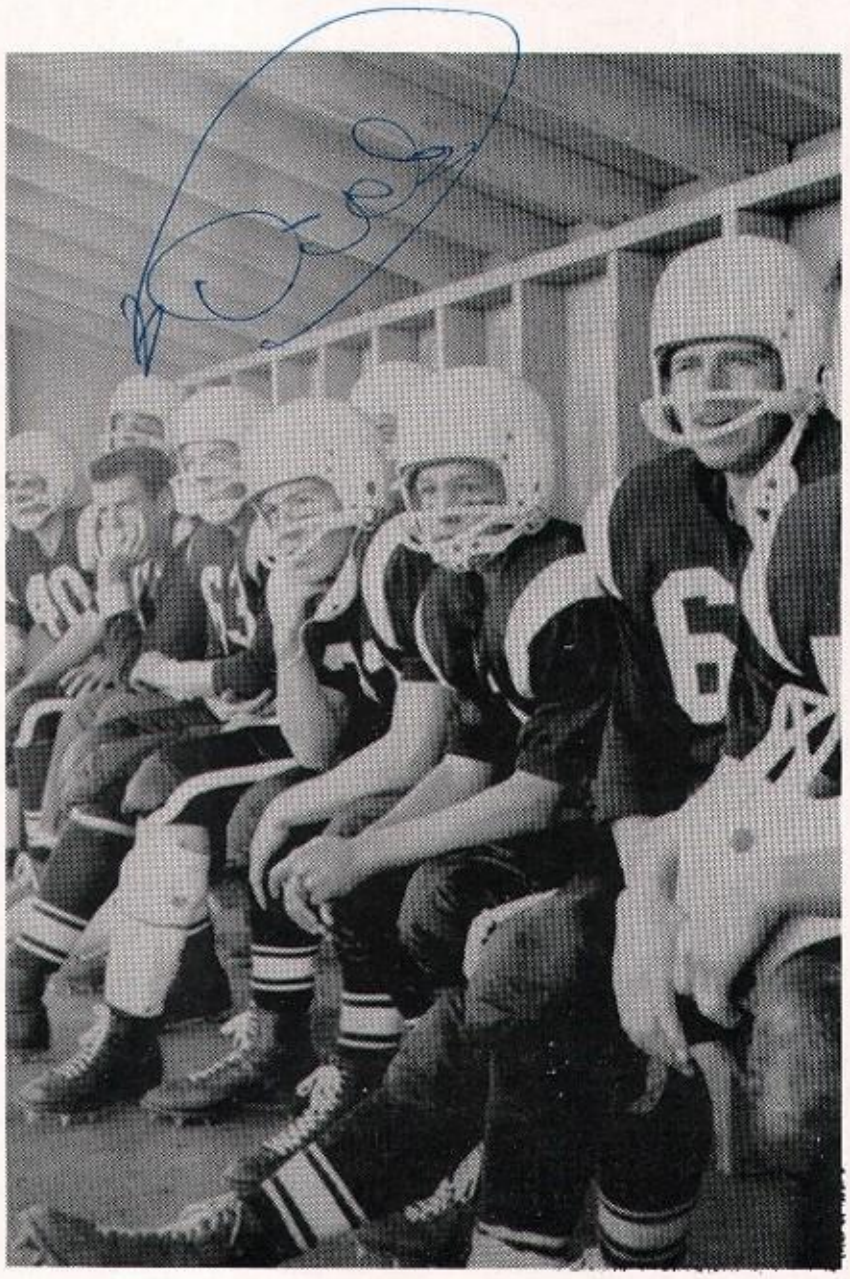
VARSITY FOOTBALL TEAM



From September to December, the magic word at Niagara-Wheatfield is "football." It is a word that brings thoughts of exciting afternoons or crisp autumn nights of cheering for a team that's out to win.

Under the expert coaching of Mr. Ross, Mr. Massotti, and Mr. Hockaday, the team had a season of which they could be proud. The Falcon team, in only their second year of playing, finished with a three won-four lost record in the Niagara-Orleans League. Although the competition was stiff, the team showed good sportsmanship all the way.

Co-Captain, Earl Voelker, and quarterback, Ed Mietlicki, made the All League All Stars Team. Earl Voelker also wound up as high scorer for the Falcons with 25 points to his credit.

What they lack in equipment, they make up for in desire to win. Coached by Mr. Cacciatore, the team wound up the season with seven wins, three losses, and one tie.

The team came through the season with a record of six wins and four losses. Despite the lack of a training field and equipment, the team finished third in the N-O League.

The outstanding pitcher of the season was Roy Rozel, who won three and lost one. In the hitting department, Don Grimes, Maynard Shepard, and Len Siejka, with batting averages close to .400, were outstanding. The coach has high hopes for the coming year as there are nine lettermen returning.
